

Product data sheet

Bus coupling unit 3

Reference number

2073 U

KNX bus coupling unit 3

screw fixing only, without claws

Intended use

- Coupling of automatic switches (ref.-no.: ..3181.., ..3281..) to KNX systems
- Installation in flush box according to EN 60670-1

Technical data

KNX medium:	TP 256
Rated voltage KNX:	DC 21 ... 32 V SELV
Ambient temperature:	-25 ... +55 °C
Storage/transport temperature:	-25 ... +70 °C
Protection class:	III
